- Who are we?

A large, mature willow tree with thick, gnarled branches and dense green foliage, reflected in a body of water. The tree's branches are thick and dark, with many smaller, thinner branches extending outwards. The leaves are a vibrant green, and the overall scene is peaceful and natural. The water is calm, creating a clear reflection of the tree and its branches.

With its encompassing branches creating a safe space within. The Willow Tree was chosen for our logo also for its flexible nature, and its power to restore, transform and grow.
